## PROCLAMATION OF THE CALHOUN COUNTY COMMISSION

WHEREAS, last year one in every four of the 940,872 Alabamians living in poverty experienced legal problems, with the majority of these civil problems being consumer issues (creditor harassment, utility non-payment, bankruptcy issues), health issues (Medicaid, government insurance, nursing home), family law issues (divorce, child support/custody, abuse), employment issues (unemployment benefits, pension, lost job), and housing issues (unsatisfactory repairs, foreclosure, eviction, poor living conditions); and

WHEREAS, 19% of the citizens in Calhoun County live in poverty; and

WHEREAS, each year the low-income citizens of Calhoun County lack access to legal assistance for their legal problems that are often critical to their safety and independence, forcing them to resolve complex legal problems on their own; and

WHEREAS, the need for legal aid in Alabama is dire, since unlike in the criminal defense system, funding for low-income Alabamians who need civil legal assistance has not yet been met, with the consequences being a lack of access to justice which is devastating for the poor and which weakens our democratic society as a whole; and

WHEREAS, there are fewer than 60 paid legal aid lawyers to serve the more than 422,119 low-income households in the State of Alabama; and

WHEREAS, although 27% of the members of the Calhoun County legal community donate their time and talents in free legal services each year, a huge unmet need for legal assistance remains for the disadvantaged in our area; and

WHEREAS, the State of Alabama continues to be impacted by the lingering national recession and high unemployment, resulting in significant budget cuts to numerous State programs and services, such as indigent defense, and State agencies such as the judicial system; and

WHEREAS, in addition to the national recession and state budget cuts, the State of Alabama and its residents have suffered substantial property damage and loss of life due to tornadoes striking the state during the month of April; and

WHEREAS, as a result of these events and the continuing needs of Alabama's residents, the demand for pro bono services by members of the Alabama State Bar has never been greater; and

WHEREAS, sponsored by the Alabama State Bar and its Pro Bono Celebration Committee, with support from local bar associations statewide, Pro Bono Week 2011, from October 23<sup>rd</sup> to 29<sup>th</sup>, 2011, will educate the public about the extensive work Alabama lawyers are doing donating their time to improve the lives of vulnerable members of our community, and will encourage more individuals in the legal community to get involved in pro bono work and financially support the legal aid system; and

WHEREAS, Pro Bono Week 2011 will feature legal aid clinics throughout the State, assisting Alabamians who greatly need legal assistance but cannot afford to pay for that help, and will also feature service projects throughout the State of Alabama helping lawyers and law students make volunteer connections with legal aid organizations serving Alabamians;

NOW, THEREFORE, CALHOUN COUNTY does hereby proclaim October 23-29, 2011, to be PRO BONO WEEK, and urges all Calhoun County residents to recognize the contributions of our legal community helping those most in need.

Dated this the 13<sup>th</sup> day of October 2011.
