APPENDIX

RULES GOVERNING ADMISSION TO THE ALABAMA STATE BAR

Rule I

Registration of Intent to Apply for Admission to the Alabama State Bar

A. Registration of Law Students and Others Seeking Admission to the Alabama State Bar.

Every person seeking to apply for admission to the Alabama State Bar shall, within sixty (60) days following the commencement of the study of law in an accredited law school, or in one of the nonaccredited law schools located in the State of Alabama, register with the Secretary ("the Secretary") of the Board of Commissioners of the Alabama State Bar ("the Board") by completing and filing the registration form supplied by the Board and such other papers as may from time to time be reasonably required by the Board. No fee shall be required if the registration form is filed within the first 60 days following the commencement of the study of law. If, however, the registration form is filed after 60 days, such form shall be accompanied by an appropriate fee of:

- (1) \$50.00 if filed after 60 days but within 180 days;
- (2) \$100.00 if filed after 180 days but within 390 days;
- (3) \$250.00 if filed after 390 days.

The deadline date for filing the registration form shall be determined using the official date for the commencement of study announced by the registrant's law school. The registrant shall be responsible for submitting, as a part of the registration form, certified verification of that date upon the form supplied by the Board.

B. Committee on Character and Fitness.

The Committee on Character and Fitness ("the Committee") shall promptly conduct an initial review of the registration form for matters bearing on the registrant's character and

fitness, including, but not limited to, alcohol or drug addiction or abuse, criminal history, and mental-health issues. Thereafter, the Committee shall conduct an investigation or otherwise inquire into and determine the qualifications, character, and fitness of every registrant who applies for admission to practice law in the State of Alabama and may request the personal appearance of any registrant at such reasonable time and place as the Committee may prescribe.

If the Committee, during the course of an investigation of the registrant, concludes that a complete set of his or her fingerprints would be of substantial assistance in the investigation, the Committee may direct the registrant to submit a complete set of his or her fingerprints. The failure of the registrant to submit, upon request, a complete set of his or her fingerprints; to fully and accurately comply with any reasonable request to produce documents or to appear personally before the Committee; or to fully and accurately provide such other information as reasonably may be requested by the Committee, shall be a sufficient ground to deny approval of the registration.

If the Committee is reasonably satisfied that the registrant possesses good moral character and has completed the prelegal education required by these rules,¹ and is fit to practice law in the State of Alabama in all other respects, it shall approve the registration, and the Secretary shall thereupon issue to the registrant a certificate of registration and cause a record thereof to be kept in the Secretary's office. If the registrant is found deficient in any of the aforementioned qualifications, the certificate of registration shall not be issued until and unless the Committee is satisfied that the registrant has overcome the deficiency.

A majority of the Committee may at any time and place, if in meeting assembled, act for the Committee, with the power of examination herein granted the Committee, regardless of when the registration form was filed with the Secretary.

¹See Rule IV.A and B.

In cases where a registrant does not file the registration form within 390 days following the commencement of the study of law, and the degree of investigation required makes immediate review or resolution of the registration impractical, the Committee may in its discretion defer its review and investigation of the registration to allow a reasonable opportunity to thoroughly investigate the registrant's character and fitness.

From a ruling of the Committee declining to approve the application for registration, an appeal shall lie to the Disciplinary Board of the Alabama State Bar (which, when acting in such capacity, shall be referred to as the "Character and Fitness Appeal Board"), if notice of appeal is filed with the Secretary and a copy of the notice is also filed with the Disciplinary Clerk of the Alabama State Bar within thirty (30) days after the applicant has been notified of the action of the Committee. Such appeal shall be heard, de novo, within thirty (30) days after the filing of the notice of appeal or at such time as agreed upon by stipulation between the appellant and the General Counsel.

C. Registration Not an Application for Admission.

The registration form executed by a registrant shall not be deemed an application for admission into the Alabama State Bar.
