NAPA VALLEY!

Escape to beautiful Napa Valley, with a getaway to the elegant Silverado Resort, nestled in the rolling hills of the California wine region. Your three-day stay will include dinner for two in one of the renowned resort restaurants and an 18-hole golf outing for two on one of the championship Silverado courses, host to both the Men's PGA Tour and the Senior's Tour.

On the night of your choice, your life of luxury will unfold into an evening hosted by David Harmon, owner of the Carneros della Notte Winery. David and his staff will provide a driving tour of private Napa vineyards, followed by a sunset wine-tasting and romantic dinner under the stars in the Carneros della Notte vineyard. Your host will also provide a personalized etched magnum of his award-winning 2006 Pinot Noir. Brush up on your sommelier standards prior to your trip by sampling from your own case of DIII Vineyard Pinot, a prize wine from the Carneros della Notte harvest.

Round-trip airfare for two is included. Your trip is subject to availability and blackout dates through both the airline and the resort.

This fabulous prize is provided compliments of **ISI ALABAMA**, a division of INSURANCE SPECIALISTS, INC., in conjunction with Carneros della Notte Wines.

But for less than half that cost you can attend the annual meeting, obtain 12.5 hours of CLE, receive a free ticket for registrants to Thursday night's Family Carnival and attend the President's Reception. Not a bad deal.
