

The 2010 Alabama Oil and Gas Seminar will be presented by the Oil, Gas and Mineral Law Section of the Alabama Bar Association, the State Oil and Gas Board of Alabama and the Black Warrior Association of Professional Landmen on Friday, October 29, 2010, at The University of Alabama School of Law Moot Court Room, in Tuscaloosa, Alabama. A pre-seminar reception will be held on Thursday evening at The University Club, also in Tuscaloosa.

Attached is the seminar announcement with registration form and a tentative seminar schedule. To register, complete and return the registration form as soon as possible, but not later than October 20.

Thanks to dues paid by you as members of the Oil, Gas and Mineral Law Section and several generous sponsors, the seminar is a free event and includes the Thursday evening reception and Friday lunch, presentations on topics of particular interest to oil and gas attorneys and landmen, and a handout of the presentations.

While we generally do not have to turn down anyone who registers late, the number of handouts prepared and other planning information (reception and lunch) is based on the number who have signed up by the registration deadline date—October 20.
