ALABAMA YOUNG LAWYERS SECTION

SANDESTIN

-SEMINAR-

May 14 - 16, 2009

The Young Lawyers Section has put together another fantastic seminar for 2009. The seminar will provide valuable information and practical tips for both litigation and transactional lawyers, while giving you a chance to relax and reunite with old law school friends from around the State. We have organized several events for both individuals and families. Beach parties, a golf tournament, and an evening cocktail party make the seminar a fun and inexpensive way to knock out some CLE credits and kick off the summer!
