

May 1, 2020 is Law Day!

The year 2020 marks the 100th anniversary of ratification of the 19th Amendment to the Constitution of the United States, guaranteeing women's right to vote. This year's Law Day honors the occasion with the theme "Your Vote. Your Voice. Our Democracy: The 19th Amendment at 100." Law Day is celebrated every year on May 1 "to celebrate the role of law in our society and to cultivate a deeper understanding of the legal profession."

To celebrate Law Day and learn more about the 19th Amendment, the Alabama State Bar, Judge Frank M. Johnson, Jr. Institute, and Alabama Department of Archives have assembled a wealth of resources listed below for online learning. There is something for everyone, even lesson plans for teachers and students.
