

2023  
LAW 65 DAY  
YEARS

# CORNERSTONES *of* DEMOCRACY

**Law Day** is celebrated every year to celebrate the role of law in our society and to cultivate a deeper understanding of the legal profession.

The Alabama State Bar has a rich tradition of reaching out into the community with educational programs for school children of all ages. Alabama teachers can sign up to have a lawyer visit their classroom in-person or virtually on May 1, 2023, to give a 45-minute presentation to students about this year's Law Day theme, "Cornerstones of Democracy: Civics, Civility, and Collaboration."

**To register as a teacher** to have an attorney(s) teach the Law Day theme to your class, please visit [www.alabar.org/LawDay](http://www.alabar.org/LawDay) to fill out the registration form, which must be completed by **March 31, 2023**. Teachers, an attorney will contact you mid-April to finalize the details.

**To volunteer as an attorney**, please email [LawDay@alabar.org](mailto:LawDay@alabar.org). You will be emailed a link to select the county and school you'd like to visit, and we will provide you with classroom materials.
