

Real, Property, Probate and Trust Section

The 2023 Real, Property, Probate and Trust Section; chaired by Cynthia Almond; served to serve as a resource and provide support for attorneys practicing in the areas of Real Property, Probate, and Trusts. To offer networking opportunities for members of the section.

In Fiscal Year 2023, the section sponsored a CLE at the Mid-Year meeting for the first time in several years.

The section established a listserv for our members and continue to update and monitor that as an easy way to communicate among the members and to ask for and provide answers to legal questions we face in our practice. We also continue to co-sponsor a CLE event each year with The University of Alabama law school and Cumberland law school and thereby offer discounts for our members to attend those programs. In addition, we sponsored a CLE event at both the State Bar Annual Meeting and the Mid-Year meeting.
